

SKAGIT AG STATS – FARMGATE DOLLAR VALUES BY YEAR
Compiled by Dyvon Havens, WSU/Skagit County Cooperative Extension

CROP	1988	1997	1998	1999	2000	2001 (preliminary)
Apples (1)	306,000	1,206,000	813,000	1,450,000	865,200	1,386,000
Blueberries	199,480	2,615,819	1,768,002	2,689,354	3,011,646	4,704,271
Carrots (processing)	478,388	859,522	1,085,490	996,965	985,600	0
Cauliflower (processing)	1,875,448	0	0	0	0	0
Cucumbers (processing)	2,340,046	4,236,263	5,429,345	5,374,786	5,220,773	5,961,464
Dairy (milk sold)	46,321,996	50,127,724	57,719,554	53,073,768	43,895,519	52,025,595
Eggs and Fryers (2)	6,600,000	13,908,590	13,471,121	12,299,816	12,309,000	13,530,000
Field Crops (3)	9,679,115	7,678,255	9,406,512	8,738,161	9,423,600	12,644,500
Grass Seed (1997—included in Misc. Crops)	0	0	602,500	890,000	545,000	501,040
Livestock	4,000,000	8,000,000	8,230,000	7,970,000	8,123,000	8,366,690
Misc. Crops (4)	5,368,612	11,211,320	15,830,189	17,590,843	16,944,598	18,109,711
Nursery and Greenhouse	20,000,000	42,390,000	52,879,000	54,306,733	56,207,469	58,287,145
Peas (processing)	7,973,736	5,064,284	4,797,776	5,195,774	3,044,092	2,210,726
Potatoes	6,955,532	57,195,000	55,500,000	59,400,000	52,725,000	70,560,000
Raspberries	2,465,610	2,337,459	1,758,504	3,960,221	4,143,347	4,803,162
Strawberries	3,498,108	1,220,000	1,468,800	1,489,935	2,725,643	2,959,930
Sweet Corn (processing)	341,702	0	0	0	0	0
Vegetable Seed (5)	2,156,984	8,279,633	4,548,802	7,566,503	7,181,513	5,262,047
TOTAL	120,560,757	216,329,869	235,308,595	242,992,859	227,351,000	261,312,281

1997

- 1) Includes 151 acres nonbearing trees.
- 2) State public disclosure restrictions prevent the publishing of “farm gate” values. The figure for Eggs & Fryers reflects the “overall value” of the industry to the county.
- 3) Field Crops include alfalfa, barley, corn & grass silage, grass, oats, pea hay, small grain, & wheat.
- 4) Refer to list of Crops Grown in Skagit County.
- 5) Vegetable Seed includes arugula, beet, Brussels sprout, cabbage, Chinese cabbage, Chinese mustard, cress, mustard, parsnip, radish, rutabaga, spinach, and turnip.

1998

- 1) Includes 138 acres nonbearing trees.
- 2) State public disclosure restrictions prevent the publishing of “farm gate” values. The figure for Eggs & Fryers reflects the “overall value” of the industry to the county.
- 3) Field Crops include alfalfa, barley, corn & grass silage, grass, oats, pea hay, small grain, & wheat.
- 4) Refer to list of Crops Grown in Skagit County.
- 5) Vegetable Seed includes arugula, beet, broccoli-raab, cabbage, Chinese cabbage, Chinese mustard, mustard, rutabaga, parsnip, radish, spinach, spinach mustard, Swiss chard, and turnip.

1999

- 1) Includes 126 acres nonbearing trees.
- 2) State public disclosure restrictions prevent the publishing of “farm gate” values. The figure for Eggs & Fryers reflects the “overall value” of the industry to the county.
- 3) Field Crops include alfalfa, barley, corn & grass silage, grass, oats, pea hay, small grain, & wheat.
- 4) Refer to list of Crops Grown in Skagit County.
- 5) Vegetable Seed includes arugula, beet, cabbage, Chinese cabbage, cress, India mustard, parsnip, rutabaga, spinach, and Swiss chard.

2000

- 1) Includes 64 acres nonbearing trees.
- 2) State public disclosure restrictions prevent the publishing of “farm gate” values. The figure for Eggs & Fryers reflects the “overall value” of the industry to the county.
- 3) Field Crops include alfalfa, barley, corn & grass silage, grass, oats, pea hay, small grain, & wheat.
- 4) Refer to list of Crops Grown in Skagit County.
- 5) Vegetable Seed includes arugula, beet, broccoli-raab, cabbage, Chinese cabbage, parsnip, rutabaga, spinach, and Swiss chard.

2001

- 1) Includes 55 acres nonbearing trees.
- 2) State public disclosure restrictions prevent the publishing of “farm gate” values. The figure for Eggs & Fryers reflects the “overall value” of the industry to the county.
- 3) Field Crops include alfalfa, barley, corn & grass silage, grass, oats, pea hay, small grain, & wheat.
- 4) Refer to list of Crops Grown in Skagit County.
- 5) Vegetable Seed includes arugula, beet, cabbage, Chinese cabbage, rutabaga, and spinach.
